

DIGITAL PHOTO RALLY

- **Duration: 2 hours and a half**
- **Place: Historical centre of Seville**

Introduction

Both operative and creative, this program searches the greatest fun for contestants, camera in hand, inviting them to know the most curious details of the people, heritage and culture of the towns and villages where it is held.

This program includes:

- Chart board and road book with trails, questions and photographs (where the type of picture required is specified).
- Digital cameras. (1 per Team).
- Period characters that will involve the contestants in peculiar situations (Example: The gambler, The painter, The Moslem merchant)
- Flamenco dancers
- Straw hats with a coloured stripe for each team, or a handkerchief. (optional)
- Prizes (optional): fans for the ladies and broad brimmed hats for the gentlemen...
- Extra prizes (optional): XVIII/XIX century arms replicas or handmade leather wine bottles.
- 1 CD / team with their photos + 1 CD with all the photos.

Each team will be composed of 8-15 people.

All the trails will be specially designed for the company, according to the contestants profile, the company's objectives (Outdoor Training /Team building), as well as dealing with products, markets and other details related to the activity developed by the firm; features to be intermingled within the trails with aspects of the life and history of the town.
