

Neutron and X-ray Diffraction and Imaging for Materials Science and Engineering			
	Organiser	Institution	Contact
D1.IV	Michael Fitzpatrick	The Open University Walton Hall, Milton Keynes MK7 6AA UK	M.E.Fitzpatrick@open.ac.uk
	Jon James	The Open University Walton Hall, Milton Keynes MK7 6AA UK	j.a.j.james@open.ac.uk
	Summary		
<p>The symposium will cover novel methods and applications of diffraction and imaging methods for the study of materials, components and artefacts. As well as conventional neutron, X-ray and synchrotron X-ray methods, papers on novel techniques such as combined imaging and diffraction, and the development of novel instrumentation, detectors, simulation and software tools will also be included.</p>
